## **EDITOR'S NOTE:**

**By: Muhammad Usman**

**Dear Students, Parents and Staff,  
Welcome to this edition of our school newsletter!**

We're excited to bring you the latest news, achievements, and upcoming events within our vibrant school community.

In this edition, you'll find highlights of student accomplishments, updates on school activities, and important announcements. We are immensely proud of our students' hard work and the dedication of our staff in fostering an engaging and supportive learning environment.

This year, we celebrated numerous milestones. From the success of our science fair and art exhibit to outstanding performances in sports events, our students continue to excel in many areas. In addition, you'll read about inspiring community service projects that reflect our students' commitment to creating positive change beyond the classroom.

One of the most admirable qualities of our students is their perspective on success. They understand that success goes beyond grades and awards—it's about perseverance, resilience, and maintaining a positive attitude. They embrace challenges, learn from setbacks, and continuously strive for self-improvement. This growth mindset drives their achievements in both academics and extracurricular activities.

We are thrilled to announce several exciting events on the horizon, including our annual talent show, parent-teacher conferences, and the spring festival. These events provide wonderful opportunities for community building and showcasing our school spirit. We encourage everyone to participate and support these celebrations.

We also remind parents of the vital role they play in their children's education. Attending the upcoming parent workshops and information sessions is a fantastic way to stay engaged. These sessions will cover important topics like internet safety, study skills, and emotional well-being, all designed to support your child's growth. Your involvement is crucial to their success, and we deeply value your partnership.

In this issue, we are proud to feature individual stories of determination and achievement. From students excelling in academic competitions to those showing remarkable personal growth, these stories highlight the diverse ways our students define and pursue success.

As we prepare for the upcoming events, we want to remind students to balance their time effectively. It's important to stay committed to both studies and personal well-being. Stress management is key, and we encourage students to seek support whenever needed. Our school counselors are always available to provide guidance, and we've introduced

mindfulness and wellness workshops to help students develop effective stress management skills. Lastly, we are launching a new initiative to gather more feedback from students and parents on our school programs and policies. Your insights are invaluable, and we look forward to hearing your suggestions on how we can continue to improve our school community. Together, we aim to build a strong network of support that includes not only teachers and staff but also parents and guardians.

## **PRINCIPAL'S MESSAGE:**

### **Dear Students, Parents and Staff,**

Education is the ultimate catalyst for transformation, the cornerstone of progress that unlocks the doors to limitless possibilities and shapes the architects of tomorrow. At Myer's College, we pride ourselves on cultivating a culture of innovation, resilience, and critical thinking. Our dynamic and future-focused teaching methods empower students to face life's challenges with confidence and purpose. As we celebrate this academic year, it is with great excitement that we highlight the extraordinary achievements and milestones of our thriving school community. Together, our students, educators, and families have created an environment where excellence is not just a goal but a way of life.

This year, we are thrilled to announce phenomenal success in the international Cambridge O and A Level examinations, with an outstanding 82 A\* and 71 A grades—a shining testament to the brilliance of our students and the relentless dedication of our exceptional teachers. Myer's College has also achieved a historic milestone by becoming the first Cambridge Exam Centre in Chakwal city, providing local students with direct access to world-class examination facilities. In another moment of unparalleled pride, we celebrated being honored as the Best Across Eight in North Pakistan in the Cambridge O Level examinations for the third consecutive year, reaffirming our legacy of academic excellence. Our cutting-edge STEM initiatives, recognized by the Chairman of the Higher Education Commission (HEC), further highlight our commitment to innovation and progress.

Our students continue to dazzle on a global stage, securing placements at prestigious universities and earning coveted scholarships, including full acceptance into the Lumiere

Research Program and the prestigious Oxford Summer Program. These accomplishments illuminate our mission to foster not only academic brilliance but also leadership, creativity, and community impact.

Beyond academics, our students have made waves in national and international arenas, earning accolades in the All Pakistan Painting Competition, Pakistan Spelling Bee, Commonwealth and Immerse Essay Writing Competitions, the Oxford Burjeel Climate Change Challenge, and the Your World Global Video Competition. Their creative genius shone in the Cambridge Upper Science Secondary Competition, English Language Olympiad, IKMC, and IKLC, where they proudly won silver and bronze medals. Our vibrant global collaborations with Sarah Bonnell School and Kingsbury Green School in the UK reflect our dedication to nurturing global citizenship and cultural exchange.

As we look ahead, we eagerly anticipate signature events like the dazzling annual talent show, engaging parent-teacher conferences, and the exciting October Festival. These celebrations are a testament to the creativity, unity, and boundless potential of our students. With each milestone, Myer's College solidifies its place as a beacon of excellence, inspiring a future where innovation and brilliance thrive in harmony.

## **ONWARDS: FROM THE DESK OF THE GUIDANCE COUNSELLOR**

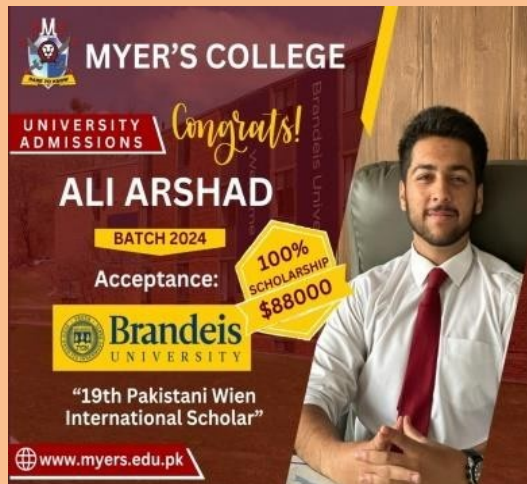

The Guidance and Counseling Department at Myer's College plays a pivotal role in supporting students from Grades 8 through A-2 in making informed decisions about their academic and career paths. The department also manages the admissions process for both local and international universities, working closely with Academic Coordinators to assess students' academic abilities and ensure a fair and transparent admission process.

In addition to academic guidance, the department offers training to help students navigate the challenges of college life through individual and group counseling sessions. They also provide assistance with securing summer internships and engaging in community service opportunities, further enriching students' personal and professional development.

The school year commenced with a welcome meeting for A-2 students, emphasizing the importance of preparation for their senior year, followed by an orientation for A-1 students. Throughout the year, the Guidance Office was actively involved in career planning, university selection, and the admissions process. Starting in September 2023, both students and staff worked diligently to meet university application requirements.

Myer's College takes great pride in its students' success, with many securing admissions to prestigious universities, both locally and internationally.

## **FAREWEL NOTE:**

**By: Muhammad Usman**

As I pen this farewell note, I am overwhelmed with a whirlwind of emotions. It is a poignant moment to reflect on the journey. We have traversed together, a journey that has been nothing short of transformative. This institution has been more than just an academic haven; it has been a nurturing ground where I have flourished, forged enduring friendships, and created indelible memories. To my revered teachers, I extend my deepest gratitude. Your unwavering dedication, wisdom, and encouragement have been the pillars of my growth. You have not only enlightened my mind but also enriched my soul with invaluable life lessons. Your influence has been profound, and I am eternally grateful for your guidance. As I embark on the next chapter of my life, I carry with me the knowledge, experiences, and bonds formed within these hallowed halls. This farewell is not an end but rather a beginning of new adventures. I hold hope in my heart that our paths will cross again and that we will continue to inspire and uplift one another. With profound appreciation and best wishes for the future.

Thank You!

## **Head Boy Note by Muhammad Usman**

As the academic year comes to a close, I am honored to address you all on behalf of the student body as the Head Boy of our esteemed school. This role has been a significant journey for me, filled with growth, learning, and countless memorable experiences. Firstly, I would like to express my deepest gratitude to our dedicated teachers and staff. Your unwavering support, guidance and encouragement have been instrumental in helping us achieve our goals. Your passion for teaching and commitment to our success have inspired us to strive for excellence in all our endeavors. To my fellow students, I am incredibly proud of all we have accomplished together. This year has been marked by numerous achievements, both academic and extracurricular. We have excelled in exams, showcased our talents in various competitions, and contributed positively to our community through numerous service initiatives. These accomplishments are a testament to our collective hard work, perseverance, and the spirit of collaboration that defines our school. I also want to extend a special thanks to our Headmistress, whose leadership and vision have been guiding lights for us all. Your efforts in making our school a Cambridge Centre have opened up new opportunities for us, and we are grateful for the international recognition and advantages this brings. Reflecting on our journey, I am reminded of the importance of team work and the strength we find in unity. Whether on the sports field, in the classroom, or during community service activities, we have supported each other, celebrated each other's successes, and learned from our challenges. As we prepare to embark on new adventures, let us carry forward the values and lessons we have learned here. Let us continue to strive for excellence, uphold the spirit of integrity and contribute positively to our communities. The bonds we have formed and the memories we have created will stay with us, guiding us as we step into the future. To the upcoming student leaders, I wish you all the best. Embrace your roles with enthusiasm, lead with empathy, and continue to build on the legacy of excellence and community spirit that we have established.

## **Head Girl Note by Eshaal Zainab Farooqi**

As the academic year draws to a close, I am deeply honored to address you all on behalf of the student body as the Head Girl of our esteemed school. Reflecting on this year, I am filled with immense pride and gratitude for the incredible journey we have shared. Firstly, I extend my heartfelt thanks to our dedicated teachers and staff. Your unwavering support, guidance, and encouragement have been the cornerstone of our success. Your passion for teaching and commitment to our growth have inspired us to strive for excellence in all aspects of our school life. To my fellow students, I am incredibly proud of all we have achieved together. This year has been marked by outstanding academic accomplishments, remarkable performances in extracurricular activities, and significant contributions to our community through various service projects.

These achievements are a testament to our collective hard work, perseverance, and the strong sense of unity that defines our school. I also want to express my deepest appreciation to our Headmistress for her visionary leadership and tireless efforts in making our school a Cambridge Centre. This prestigious recognition has elevated our academic standards and provided us with numerous opportunities for growth and development on an international level. Reflecting on our journey, I am reminded of the power of collaboration and the strength we find in supporting one another. Whether in the classroom, on the sports field, or during community service activities, we have worked together, celebrated each other's successes, and learned from our challenges. As we prepare to embark on new adventures, let us carry forward the values and lessons we have learned here. Let us continue to strive for excellence, uphold the spirit of integrity, and contribute positively to our communities. The bonds we have formed and the memories we have created will stay with us, guiding us as we step into the future. To the upcoming student leaders, I wish you all the best. Embrace your roles with enthusiasm, lead with empathy, and continue to build on the legacy of excellence and community spirit that we have established.

## Shattering Records: Myer's College Girls Claim Top O & A-Level Honors!

Deputy Commissioner Qurat ul Ain Malik rightly pointed out the remarkable progress of Chakwal's education system. With a literacy rate above 90%, our girls from Chakwal are shining brightly on the path of modern education and Myer's college is contributing greatly into that.

***Girls of Chakwal* are showing a prominent position in the modern education system: DC Qarat-ul-Ain Malik**

**Raja Iftikhar Ahmed**

CHAKWAL: Madam Deputy Commissioner Qarat-ul-Ain Malik said on Sunday that it is a very welcome thing that the girls of Chakwal are also showing a prominent position in the modern education system and level, which is indeed an extraordinary achievement for a district like Chakwal and Al-Hamd. The literacy rate of Allah Chakwal Talah Gang is above 95% and this is the reason why the young generation of Chakwal Talah Gang is achieving great success in the field of education, from which I am sure that the future of Chakwal is bright and shining. She was speaking in a local marquee in honor of Aishal Zainab Farooqui, daughter of renowned industrialist Sheikh

Mohammad Riaz Farooqui and Warda Imran, daughter of renowned educationist Professor Imran Shakoor. Chairman Chakwal Press Club Khawaja Babar Salim Mehmood said on this occasion that the history of O-level in Chakwal district is only 18 years old and in 2005, Myers College Chakwal Bij participated in the O-level examination and in the first examination, Palusha Babar took Street 8A. He gave the message that if opportunities are provided to the young boys and girls in this area, they can show their essence and today after 18 years, Aishal Zainab Farooqui has repeated the 18 years old history with Street 9Ez. Speaking on this occasion, Warda Imran said that my success is due to the hard work of my parents. And because of their en-

couragement, I am where I am today. Aishal Zainab Farooqui said in her speech that my father Sheikh Muhammad Riaz Farooqui is a beacon of light for me and the way my mother has encouraged me, I have worked hard and Allah has not let the hard work go in vain. Former member of the Punjab Assembly Chaudhry Haider Sultan said in his speech that the young generation of Chakwal has full potential to move forward and indeed Myers College is guiding the young generation in the right way. Principal of Myers College Madam Noreen, said that for the last 18 years, all the teachers of the college are working hard and under the guidance of Raja Yasir Sarfraz, Myers College is giving excellent results in O Level every year.

## STEM recognition and Acknowledgement of Myer's College by Chairman HEC:
